additional benefits FOR FIREARMS ENTHUSIASTS:

The Buffalo Bill Historical Center holds the factory records for Winchester, Marlin, and L.C. Smith firearms, and we are pleased to offer this information from our archives for firearms enthusiasts who become our donors, in addition to the basic benefits that all donors enjoy.

factory letters

A factory letter is an official report on the information contained in the original company records which the Center holds. Letters are on official letterhead and bear the seal of the Cody Firearms Museum at the Buffalo Bill Historical Center. A factory letter can be an important tool in establishing the provenance and originality of a gun. Factory letters generally take three weeks to process.

serial number searches

Serial number searches are available only to Cody Firearms Members. A serial number search contains the same information as a factory letter and is sent via e-mail, fax, or by phone. Members are asked to limit search requests to five per day. Results are generally returned within 24 hours.
